VOLUME 1, No. 1 DECEMBER 1969

If there is a red check in this block your dues are unpaid.

The Five-Mile bus tour was a great success. Two busloads of happy members attended, the weather co-operated, the homes we visited were both interesting and beautiful and it was a treat indeed to meet the friendly people who live in them. Thanks to Julie Myers and Marianne Beard for arranging the refreshments, too! And to Lois Barnes and Amy Lowery for helping with them.

Mr. Minor Chamblin has found it necessary to remove his name from our membership because he has moved to the Baptist Home, 2373 Harrison Ave., Cincinnati, Ohio 45211. Our best wishes to you, Mr. Chamblin - We'll miss you! How about some cards or notes to him, members?

Amy Lowery - we have your bracelet.

Martha Hornschemeier's mother, Mrs. Emma Leuser, passed away last month. Mrs. Leuser, of our honorary members, who lived most of her married life in the log house on Clough Road will be long remembered in the community for the beautiful flowers and plants which seemed to grow for her just because she loved them. She was always so generous with them - one scarcely ever came away without some fresh lettuce, or some flax plants or some pansies. We will always be grateful to her for her care and keeping of the old log house, but most of all we will miss her - for her sweet and gentle self.

=====
Mr. Bryan Ketcham has presented our society with a volume of his Covered Bridges in Ohio. Thank you, Mr. Ketcham! As well as a much appreciated gift it will be a reminder of one of our most enjoyable programs!

=====
Anderson Township Historical Society is starting a Memorial Fund and donations for your loved ones may be sent to the treasurer.

SILENT AUCTION AT DECEMBER 3rd MEETING--Those of us who could not attend the Moundview meeting may ask, "What's a silent auction?" Here is how it works: Each person who cares to participate (and most do) brings an object to be auctioned. These items are displayed with slips of paper upon which anyone may write his secret bid along with his name. At the proper time the bids are opened and read and the highest bidder for a particular item is the new owner of it. Proceeds go to the treasury of A.T.H.S. Bring anything you may think of - white elephants, useful or un-useful objects, antiques, baked goods or other foodstuffs, joke items. The more variety the more fun. Co-chairmen: Mrs. Violet Frey 231-3773; Mrs. Hilda Winters 231-1075.

Cecil B. deMeyer (Pat Meyer) accompanied the children from Summit School on one of three local history tours from that school last month and made a movie of the event. She and Don will show it at our Dec. 3rd meeting, so all can see what these tours are like.

At our January 7th meeting our guest will be Dr. Simon Anderson of the University of Cincinnati College Conservatory. His professional specialty and his subject for our meeting will be Early American Music. Be sure to attend in order to hear this interesting young musician and speaker. Guests most welcome!!!

POT LUCK SUPPER - On wednesday, December 3rd at 6 P.M. we shall have another Pot Luck Supper at the Church Education Building. At past suppers we've had a great turn-out with more delicious things to eat than one person alone could sample. Do plan to attend and join the fun!

Each woman is asked to bring one dish. We'll also be serving delicious roast turkey. Those whose names begin with the letters A to F are asked to bring a casserole, those with G to L a dessert, M to P a salad, and R to Z a vegetable. Beverages, plates and silverware will also be provided. There will be a small charge to cover the cost of the turkey. Guests are welcome.

After dinner there will be an auction. Each member is asked to bring a handmade item or "white elephant". Proceeds will go into our treasury. Hope to see everyone there!!!!
