***** HELP WANTED

ATHS, an equal opportunity employer, is in need of persons this spring and Summer, for the care and maintainance of the Log House properties. Those members who are willing and able to cut grass, trim shrubs, paint, wax floors, wash windows, etc., should contact Dr. Frame, at 231-6453. Remuneration will be the satisfaction of helping the Society present an historical asset to our community.

***** AS WAS and AS IS

Those who attended the february meeting had the opportunity to see, by means of slide pictures, scenes of present and former homes, businesses and other features of the Mt. Washington area. This was the result of an ongoing project, sponsored by the Society, and being conducted by "Red" Lowery, for photographic preservation of present and past scenes of Anderson Township for the enjoyment, benefit and use of present, and coming generations. Unfortunately the file of the ATHS research department contain few pictures of things that were here "then", and it is hoped that this effort will be of value in the future. As our collection grows we will be able to have "magic lantern" programs of other areas of the township at future meetings, if desired.

We would appreciate help from any of you who have pictures of things past in the township, particularly of those no longer existing. If you do not want to donate the original to the Society, perhaps you would permit us to copy, or make a slide, from it.

COUNTRY STORE 1981
ALREADY!

It might seem too early to concern ourselves with an event that will take place September 26 and 27, but there is much planning, thinking and doing to get Country Store on the road.

Despite the hot weather and cool economy, last year's Store was a success, thanks to all those members who helped in some measure to make it so.

And now with the same generous help that you have given in the past, we will makethis, our 12th Country Store, a very good one. As you know, it is our major fund raising project. Without it we could hardly carry on in the manner to which we have become accustomed. We have a sizable membership to do the job; many helping hands can lighten the load for everyone and prevent its being a burden to anyone.

We would like for more of our new members to make themselves, their ideas and wishes known. Please let us hear from you.

Some of the Store departments have started work. Nancy Rimmer, of Stitchery says, "It is time to get started making all those beautiful items that were so well recieved last year. There will be kits available to make pictures, pillows, tote bags, etc. There is yarn for knitting scarfs and mittens, and material for aprons. We need you and your talented fingers! Please visit us at the March meeting or call us if you want to become a member of the "Stitchery Crew." "

Call: Nancy Rimmer, 231-8983 Bernice Dunham, 231-7885

Stuffed Toys is getting a head start too. If you enjoy turning bright bits of cloth into delightful dolls and fanciful animals, join up. Trimming of all kinds is needed: lace, rickrack, braid, etc. Both of these departments can use your sewing remnants.

Call: Amy Lowery, 231-5169 Betty Wettstein, 474-0855

We hope our woodworkers will turn out some of their much-in-demand wares before the call of the great outdoors lures them from their workshops.

Call: Willard Kuhlman, 231-0575

Dried Materials needs cones, especially white pine, for those lovely wreaths we all admire. Also, containers of all sizes - ceramic and baskets.

Call: Ruth Clark, 231-6546 Peggy Duckett, 232-2955

H1 Shick, 231-1842

House cleaning time is approaching, so would you please keep Cobweb Corner in mind for your nice throw-aways (no clothes, please).

Call: Bob-Marie Anderson, 231-8822 Erv-Margaret Groppenbacher
231-7631

The cookie mix was such a big hit last year that Bakery would like a variety of mixes. Do you have a favorite to offer?

Call: Edith McCabe, 231-5965 Alice Canter, 231-5801

Cheese department is diversifying this year. One of the new items will be dried herbs used in different ways. A variety of them in quantity will be needed. Could some of our gardeners spare a sunny corner here and there for these friendly plants? Help can be had with the drying of them.

Call: Barbara Heiken, 231-4812 Barbara Christman, 232-1299
June Flick, 232,5729

When you think of what to put in the garden, please keep Farmers Market in mind. "Grow for them". All garden produce, indoor and outdoor plants will be welcome.

Call: Fred-Eloise Heis, 231-6859 Cliff-Jane Reeder, 231-7008

Would you please bring us your quilted Country Store jelly glasses if you have no use for them.

So that you will know all the chairmen and co-chairmen of Country Store, 1981 departments not mentioned above are:

Children: Harry-Ginny Rimmer, 231-9254
Equipment: Roland Lowery, 231-5169
Food: Elizabeth Kuhlman, 231-0575
Pop Corn: Carol Motz, 231-6567
Publicity: Bill-Toni Strayer, 231-9393
Traffic: Jim Hutton, 231-0653

NOTICE to Country Store Chairmen:- We had planned a meeting in February, but some of our people could not be available. The new time is April 8, at the brick house. This later date has the advantage of giving the chairmen more time to meet in their own groups to talk over ideas and work out plans. If you have any questions at all please call. Thank you.

Chaiman, Lou Copp, 231-7235 Co-chairman, Ruth Smith, 232-4313

Our Society is donating copies of available pamphlets and brochures pertaining to township history to the new Anderson Township library.

The first of a series of TV programs about Cincinnati and vicinity will be shown on WCPO-TV on March 7, at 7 pm, and repeated on March 10, at 10 am. This was prepared by Dan Hurley, Education Coordinator of Cincinnati Historical Society, and is narrated by Charles Kuralt, host of "With Kuralt On The Road" programs. This segment will probably include the "Log House".

The "annual" (no pun) Plant Sale at the Log House will be on Saturday, May 16. Alice Taylor, chairman, says that plants are needed, so if you have any house plants, or outdoor plants that need thinning, that you can spare, Alice would like to have them.

The Project Committee is planning on having the "House" open to the public on each Saturday and Sunday in June and July. Volunteers will be sought to assist on these occasions. More details in the next issue

The Norwood Historical Society is having a five home House Tour on Sunday, June 7, from 1 to 5 pm. Tickets are \$4.50 (\$3.00 for Senior Citizens). Locations, and other information will be shown in both daily papers in May. Perhaps some of us could give a boost to our "sister" society.
