

# SURVEYOR

VOL. 13 No. 3  
Sept. 1981

P.O. Box 30174  
Cincinnati, Ohio 45230

---

Regular meeting held first Wednesday of each month, 7:30 PM  
Presbyterian Church, 6474 Beechmont, unless otherwise noted

---

The July picnic/meeting was held at Woodland Mounds Park. It was a grand evening for such an affair and after the assemblage had partaken of their favorite outdoor snacks they were entertained, and educated, by one of the Park Rangers with a brief history of the park and a description of the flora and fauna in our newest county park.

In lieu of the August meeting there was an Ohio, and Little Miami, river boat ride on the excursion paddle-wheeler Princess. Almost one hundred members thoroughly enjoyed the twilight cruise.

Our newly appointed Program Director, Helen Holmes, has not had time to prepare definite programs for the next few months, but you can be sure that she will have some interesting and informative sessions for us.

The "program" at the September meeting will be a "Round-up" of the people serving you - the Society -. The various committees will be called upon to discuss their part in conducting Society affairs - what their task is, how they are progressing and, when possible, some examples of their work.

The Board of Trustees will present a recommendation at the September meeting, to be voted on by the members in attendance at the October meeting, that the membership dues be increased. The proposal is that individual dues be raised from \$3.00 to \$5.00; family from \$6.00 to \$10.00; patron from \$10.00 to \$15.00; life to continue at the present \$100.00.

Member George Hurst makes the following appeal:

HELP WANTED - Volunteers to work as cashiers and ticket sellers at the annual Feast at Beech Acres - General Protestant Orphan Home - on Sunday, Sept. 13. Your services will be appreciated by all the children. Call George at 232-0763.

## BUS TOUR - OCTOBER 3

Members of ATHS will travel by chartered bus to Ceasar's Creek Pioneer Village, have lunch at "1776 Inn" in Waynesville, and then visit the Warren County Historical Society Museum in Lebanon, on Saturday, October 3. Reservations will be accepted with a check for \$14.00, made payable to ATHS and sent to Jim King. We are limited to 46 Passengers, so hurry with that reservation!

## COUNTRY STORE - HOMESTRETCH

Our twelfth Store is on schedule and, thanks to the generosity of those who are giving of their time and talent or contributing in some other way, it promises to be the equal of its predecessors. But there is still much to do. For instance:

Cheese Department is in urgent need of a large amount of herbs of all different kinds: thyme, oregana, rosemary, etc. They are needed to make the tangy herb vinegars and savory cheese spreads being introduced by this exciting department. We will gladly gather and dry the plants, just tell us where and when to come for them. And please do visit us at Country Store, we are preparing some new and enticing delicacies for you.

Barbara Heiken 231-4812 June Flick 232-5729 Barbara Christman 232-1299

Would you please look around the house to see if there is something you can spare for Cobweb Corner. Keep in mind that this is our 100% profit department. Let's see that there is lots to sell. We will be happy to pick up your contributions. If you want to bring them in yourself, Marie will be at the barn most days starting two weeks before the Store.

Bob-Marie Anderson 231-8822 Erv-Margarite Groopenbecher 231-7631

Dry Materials needs so-o-o much in the way of help and materials. We need some of you to gather pods, plants and grasses from your yards, gardens, or wherever gathering is permitted. The following are most needed: all grasses, the most important of these is pampas grass. We can use bundles of it. We need a great amount of artemisia; more yarrow, both the wild and garden variety,

money plant, bittersweet (lots), baby breath and all pod plants, large and small. Golden rod is ready to harvest and teasel soon will be. There are too many plants and grasses to name, but whatever is attractive and dryable we can use. Bring what you have to the barn or we will pick up. Also help is needed with stripping and making arrangements. We will be working at the barn and annex from Aug. 27 to Sept. 19. One other thing we need is containers of all kinds and sizes. Our work is very enjoyable, come see if it isn't. Thank you for the help already given.

Ruth Clark 231-6546 Peggy Duckett 232-2955 Judy Radcliffe 231-1703

Are you still on the lookout for wood or tin boxes for the Box Department? This fascinating new department will be housed in the kitchen. Don't miss it! Marge Frame 231-6453

And that bright harbinger of Fall, the Farmer's Market, will need many of the fruits of Summers final offering: pumpkins, apples, pears, bulbs, gourds and squash. Our customers like potted plants, too.

Fred-Eloise Heis 231-6859 Cliff-Janr Reeder 231-7008

Ginny and Harry Rimmer of the Children's Department have planned delightful games with prizes for our youngest patrons to ensure them of a merry time at Country Store.

For many weeks Stitchery Department has been buzzing with activity. You will have to see to believe the many lovely things the craftswomen in this department have created. A very big thank you to all of you. Now Nancy would like the finished work still out be brought to the September 2 meeting. For those who cannot do this, call Nancy or Bernice so that other arrangements can be made.

Nancy Rimmer 231-8983 Bernice Dunham 231-7885

Stuffed Toys is approaching the finish line. Amy and Betty want to thank all those who so generously donated materials to make the beautiful toys. Don't overlook this Department.

Amy Lowery 231-5169 Betty Wettstein 474-0855

Woodworking hopes this year will be as successful as last year. Can still use more sale items made by you woodcrafters.

Willard Kuhlman 231-0575

We say it every year - if only we had more baked goods to sell. Bakery is a star performer with too little to go on. We have always needed more bread, coffee cakes, quick breads and above all, fruit pies (we may not have pumpkin or any cream pies). Your past generosity is appreciated, but we really do need more of our members to bake for us. In such a sizeable membership there must be many proficient bakers. If any of you baking need flour, sugar or any other ingredient, call Edith or Alice

Edith McCabe 231-5965 Alice Canter 231-5801

Elizabeth Kuhlman presents her lunch menu as follows: Shaker soup, baked ham sandwich, barbeque with slaw, potato salad, short bread, ginger bread, coffee, tea.

To repeat: Country Store is the major fund raising project of ATHS. Now as in the past we look to our members for the big lift that has always put us over the top. Come see, enjoy and sample the delights and delicacies of our Twelfth Country Store. Make it a date for Saturday Sept. 26, 10 am to 5 pm, and/or Sunday, Sept 27, noon to 5 PM.

THANK YOU

Country Store Committee

Note to all CS Dept. Chairmen and Co-Chairmen. We would like the pleasure of your presence at the final Country Store meeting to take place Sept. 10 at the brick house. Sandwiches and coffee will be served, so plan to eat with us at 6:30. Lou Gopp 231-7235 Ruth Smith 232-4313

A warm welcome is extended to the following new members who joined since the previous issue of the Surveyor:
