VOL. 14 No. 2  
June, 1982

P.O. Box 30174  
Cincinnati, Ohio 45230

---

Regular meeting held first Wednesday of each month, 7:30 PM  
Presbyterian Church, 6474 Beechmont, unless otherwise noted

---

At the June 2nd Meeting our guest speaker will be Don Hopkins of Little Miami Inc.

In lieu of the regular July 7 meeting there will be a picnic gathering in Woodland Mounds park. Chow time will be 6:30 at Elderberry Shelter. Why not come a little earlier and enjoy the park?

On August 4 there will be another opportunity for us to enjoy, as many of us did last year, a pleasant cruise on the excursion paddle-wheeler "Princess". She will leave the dock at "Old Coney" at 7:00 pm. The fare is \$4.50 per person. Parking, via the main entrance at the "Island" is \$1.00 per car.

Enclosed with this issue of "Surveyor" is a schedule of activities planned for weekends this summer at the Log House. May we suggest that you put it on your bulletin board or calendar, or some other handy reference place.

Note: We are informed of a correction for the schedule - Sat. June 5 will be a quilt display and Sat. June 12 a quilting demonstration.

NEEDED - A person to take care of keeping up our AHS Scrapbooks. Contents include clippings and other memorabilia of AHS activities.

Membership Chairman Ruth Walters reports that payment of 1982 dues is off to a fine start, but that there are still some from whom she has not received payment, so let this be a

REMINER - 1982 DUES, PAYABLE NOW

Send check, made to AHS, to Ruth Walters, 1612 Mears, or pay her at the June meeting.

India Boyer, one of our very active members, was named recently, by the YWCA, as one of ten Outstanding Career Women of Achievement and honored at a luncheon at the Westin hotel. India was the first certified woman architect in Ohio. She is also an accomplished artist. Two of her paintings, presented to the Society, are hung in our library/research room.

The latest acquisition for our library is a very nice volume, recently off the press, entitled "History of Mount Washington Masonic Lodge, F&AM", written by Len Greshan. It is a very interesting and informative collection of material about the founding and progress of the lodge.

It would be very good if other clubs, groups, associations - and businesses - would compile similar histories of their organizations and contribute a copy for our archives. It would add so much to a complete history of our community.
