SEPTEMBER MEETING: Our September 1st meeting will cover important topics relating to the Country Store. It is important especially for all who will be involved in this annual event. Highlight of the evening will be another fantastic selection of old picture slides, compiled and shown by Roland Lowery. Don't miss this journey into the past.

UPCOMING EVENTS: On September 10th and 11th the Ohio Historical Society in Columbus will hold meetings and seminars. For further information contact Ruth Smith (232-4313).

On September 25th and 26th, as you all know, we have our Country Store. There will be a wonderful assortment of items for sale. Please let your friends and relatives know - they might find that special gift they've been looking for, or they can come just for the fun of it! It's time to all join together to make this year's Country Store the best ever. The economy is our biggest foe, and, therefore, an all out effort is needed from all members. A previous issue of the Surveyor listed the committee chairmen. If you can help with your time, talents, produce, trash or treasure, bakery goods, wood-working, stitchery, stuffed animals, or dried arrangements call the appropriate chairman. Please volunteer! Have any questions or suggestions? Please call:

Elizabeth Kuhlman (231-0575) or Nancy Rimmer (231-8983)

Sunday, October 3, 1982, the Salem Methodist Church will hold a dedication ceremony, celebrating their inclusion in the Historical Register. The ceremony will begin at 2:30PM. Guest speakers will include our own president, Jim Hutton, as well as other dignitaries. Refreshments will follow at the church's McCormick Hall.

On Friday, October 8, 1982 members of the AHS will have a chartered bus trip to Lexington, Kentucky, visiting the Mary Todd Lincoln House, the Headley-Whitney Museum, and then on to Shaker Village in Pleasant Hill where luncheon will be served in the charming Trustee's Office Inn. The cost of the trip will be \$22.00. Please send your checks, payable to AHS, care of Jim King - 7526 Heatherwood Lane - Cincinnati, Ohio - 45244. Checks must be received before October 1st. We will leave the parking lot of the Mt. Washington Presbyterian Church at 7:30AM, and return the same day at 6:00PM.

A SPECIAL THANK YOU TO ROLAND ("RED") LOWERY:

We, the members of the Anderson Township Historical Society, wish to extend our sincere thanks to Mr. Roland Lowery for his work as editor of the Surveyor. For twelve years Mr. Lowery voluntarily put in much time and effort to, almost singlehandedly, produce our newsletter. He will continue to head up the Research Department.

As you know, a new editor was needed to produce the Surveyor. I agreed to undertake this job, and I hope to continue the fine work that Red Lowery did for you. Part of the job is to compile the news you, the members and committee heads, supply us with. It's quite important that the information the Surveyor receives is transmitted to our readers as clearly and accurately as possible. Should anyone have any ideas or suggestions as to news or stories for the Surveyor, please let me know. I can't say that there are going to be any significant changes at this point, but I'm open to your suggestions.
