Wednesday, December 1st - At our regular meeting, Aulinda Zwertschek will tell us about the customs and traditions of Christmas in the old country.

Saturday, Dec. 4th and Sunday, Dec. 5th - This is the weekend for our Christmas Open House. Hostesses are needed to greet guests and serve punch. Two persons are needed for each shift - eight people for the two days. Contact June Flick at 232-5729. Open house hours are: Saturday 10:00AM - 2:00PM OR 2:00PM - 5:00PM
Sunday 12:00PM - 2:00PM OR 2:00PM - 5:00PM

Friday, December 10th - Celebration At Ohio Village - Columbus, Ohio. An old-fashioned Christmas celebration in an 1800's village will be our next trip for ATHS members. There will be one bus - 46 passengers. The trip will include a visit to yesteryear in German Village with a buffet lunch at Schmidt's Sausage Haus. We will leave the Mt. Washington Presbyterian Church parking lot at 9:00AM and return at 5:30PM. The cost will be \$15.50. Please send your check to Jim King, payable to ATHS, before December 1st.

ATHS NEWS:

Nancy Rimmer, our Vice President, was honored at a dinner sponsored by the Cincinnati Chamber of Commerce and Business & Professional Women. She was one of two women receiving an award as an Outstanding Woman in the business world.

The inaugural display in the new upright glass case at the Anderson Branch Library features Steve Smalley's historical books of Anderson Twp. and some of the artifacts he collected from houses being demolished in this area. These items are all on loan from ATHS and it is hoped that other items owned by the society will be used in displays in the future. The Anderson Library Committee is also interested in any individually owned collections that could be displayed in either or both of the cases at the library. The cases are both inside the library and are locked. If you have items such as dolls, glassware, toys, buttons, post cards, needlework, etc. and would be willing to lend them for a display, please call Jane Goodrich at 231-1906.

A marvelous gift to the ATHS was recently received by the Research Committee. Elsie Smalley donated a large number of photographs that Stephen Smalley made during his years of township research. This is an extremely valuable addition to our archives. We hope to have some of them on display at the December meeting.

NOTICES:

- * It is planned to close the open back end of the barn in order to give additional protection in inclement weather and to provide more security. We prefer not to use new lumber for the job, but would like to get some old or rough hewn boards (barn siding would be great.) Two dozen pieces, 1 inch thick - 6 to 10 inches wide - 10 feet long, will do the job. If any of you know where these can be obtained, Vic Frame would appreciate hearing from you.
- * At the September meeting, after the slide show presented by Red Lowery, someone asked if they could get a copy of a slide of the old Asbury Church. Somehow, your name was misplaced, but, if a call is made to Red, the slide may be obtained.
- * Help Wanted. After the Surveyor editor prepares copy and has the quarterly issue printed, help is needed to stuff envelopes and prepare the mailing. If you are familiar with Non Profit Permit mailing or would like to learn, please contact Ruth Smith at 232-4313.
- * Please detach and keep for reference the sheet listing ATHS officers, trustees, standing committee and current committee chairpersons.

NOTICES CONTINUED:

- * From June Flick, projects chairman: A Happy Holiday season to all the lovely people who helped me this summer to make our Open House weekends a success. We had over 100 visitors, and some of them did not sign the register so they weren't counted. It was a pleasure to work with all you nice people.
- * An Anonymous source has suggested that the AHS furnish Jim King with all the manpower, tools, and materials he requires to assist him with his deposit transactions at local banking institutions on our behalf. Jim was apparently nearly defeated by modern bank technology, but, with determination and perseverance, he eventually conquered the system. Contact Jim King for details.

LATE ADDITIONS:

UPCOMING EVENTS:

Wednesday, January 5th - At our regular meeting, Don Begosian, a former resident and AHS member, whose hobby is archeology, will present an updated look at the archeology of Anderson Township.

Wednesday, March 2nd - The Annual Dinner Meeting. "Table Settings Through The Years" will be the topic of the evening. Each table will be decorated to represent a particular era from 1790 to the present. Our members will have an opportunity to display and share their primitive bowls, pewter utensils, Victorian china, heirloom silver, fancy glass (pressed, cut, and depression) and other dining room treasures.

NOTICE:

For this dinner meeting we need one hostess for each table, to provide the centerpiece and table cloth (note: no dinner plates or silver; church china and utensils will be provided as always.) If you would like to be a hostess, please call Helen Holmes Sweet at 231-4579.

NOTICES:

- * Reminder! Those donating cookies, candy, and other Christmas items for the December Open House are requested to bring them to the Log House either Friday the 3rd (til 2:00PM) or Saturday the 4th (before 10:00AM).
