GENERAL NEWS: Special thanks goes to Helen Sweet for her dedicated work as our Program Chairman. The programs that she has brought to us have been both interesting and educational.

A big thanks also to Alice Hutton for coordinating the refreshments at our monthly meetings. They have certainly been enjoyed by all.

As many of you know, one of our members, Fred Heis, passed away on July 5th. We'll all miss his friendly attitude and dedicated work for the society.

We are pleased to announce that Lloyd Everhard is our new Program Chairman and Jane King is our new Hospitality Chairman. We will all be looking forward to seeing what they will be presenting to us in September.

A NOTE FROM OUR PRESIDENT:

Dear Members:

My goal this year is to get more members involved in the activities of the Anderson Township Historical Society. I am sure that there are some talents you have that I don't know about which would contribute much to the growth and success of our society. I would like to hear from you. What type of program interests you? What kinds of special projects would you like to see us develop? Feedback and input from the membership is an important ingredient for a successful organization. Please let me hear from you.

Sincerely,

Nancy Rimmer, President
