OPEN HOUSE - THE WAY WE WERE. A description of this Open House was given in the last Surveyor. To refresh your memory, three departments - Research, Genealogy and Accessions are combining to make this a most interesting display.

The OPEN HOUSE sign will be displayed at the Log House each Sunday in August and possibly part of September and Guides will be present from 1 PM to 4 PM to welcome visitors. Granted, there are Sundays when visitors are few, but ATHS was formed to foster interest in the history of our community and what better way than to keep the house open as much as possible.

Florence Makepeace, Project Chairperson, is to be commended for the excellent displays planned for three weekends this summer and Lloyd Everhard for the publicity appearing in all the newspapers, attracting many visitors.
