FROM THE DESK OF THE PRESIDENT:

Thanks to all of you members who have supported me as President these past two years. It was truly an honor and privilege to serve.

Any organization is only as good as those of the membership who participate in its activities. In this organization the most immediate need is to get more members involved in all of its affairs to continue the development of the Society. I will, and I ask all of you to join with me to help our officers and trustees to continue to work to make this Society an even more important community organization.

Volunteer! Don't wait to be asked. We Need You! Sincerely - Al Wettstein
