AHS SEARCHES FOR NEW PLACE FOR MEETINGS TEMPORARY HOME TO BE MT. WASH. METHODIST

Due to the construction at the Mt. Washington Presbyterian Church, our Board is in the process of finding a new home for our meetings. We agreed that the the night of our regular meeting should not be changed from Wednesday, which limits our selection. However, for the next two months, our February meeting and our March dinner will be held at Mt. Washington Methodist Church at 6365 Corbly Road.

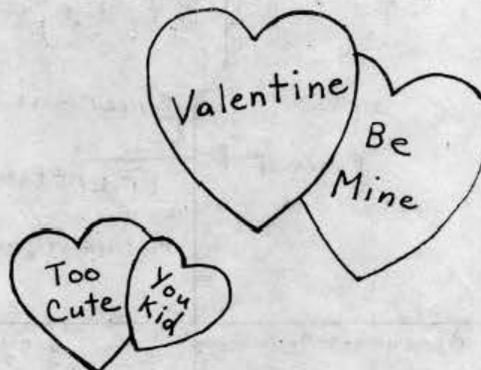

This facility is easily reached and the entrance is very accessible; parking in the rear is plentiful. Please take the walkway from the parking lot to the end of the Sunday school wing. our meeting room is on the right.

The March dinner meeting will be in the church fellowship hall, which is further down the same hallway.

CHRISTMAS OPEN HOUSE IS HUGE SUCCESS

Bernice Dunham, chairman, and her many, many helpers have once again had a very successful Christmas Open House. Total profits from the crafts and goodies donated by ATHS members was \$811.

Bernice would like to thank EVERYONE who worked or donated items for the sale, but especially Mary Brafford, Tammy Dunham, Amy & Red Lowery, Al, Betty & Sue Wettstein, Helen Sweet, Sue McGonegle, Cindy Luecke, Jack Massey & anyone else we inadvertently forgot to mention. Thanks, as well, to all those who visited and purchased goodies during the event.

NEW GUIDES CLASS WILL BE HELD IN MARCH

Jane King and Nola Stimpert will conduct a new class for Log House tour guides sometime in late March. There is always a need for men & ladies who are knowledgeable about the Log House and how it was constructed. Volunteers can assist giving tours for school, scout and club groups from the township and surrounding communities. This can be a very rewarding experience, as everyone who comes to the cabin is fascinated by some aspect of our delightful treasure.

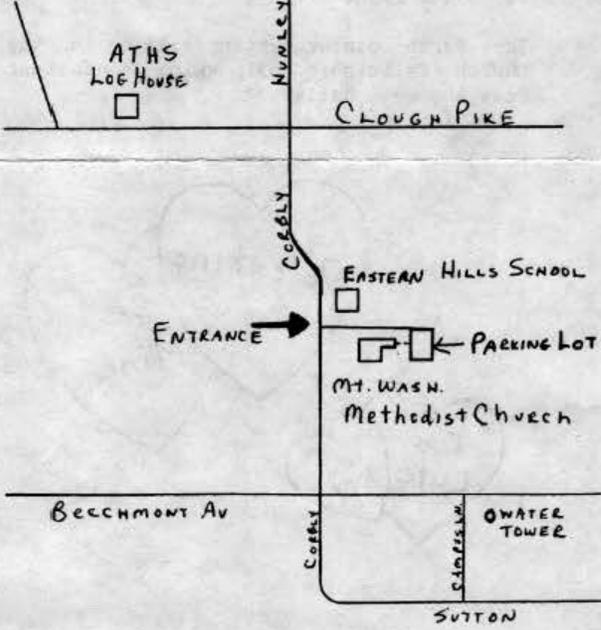

How it was constructed, how the people lived, worked and played, and what is the historical significance to the area are but a few of the topics about which visitors are curious. You can be a part of this worthwhile educational endeavor.

For more information, see/call Jane King.

GENEALOGY HELPS PEOPLE SEARCH FOR "ROOTS"

Requests from all over the United States, as well as from local communities, come to the attention of ATHS's own genealogy committee. These people are searching for information regarding their ancestors who might have once lived in Anderson Township. Queries about Anderson families such as Bennett, Ward, Nabors, Patterson, Jeffries, Hancock, Toker, Wait, etc. have been addressed. Members of the committee use the reference books in our growing library, the 14 volumes of family group sheets, cemetery records, local history books and other bits and pieces of recorded information to help those who come into our office for information.

Committee members, Gertrude Addicott, Ruth Essex and Betty Wettstein, try to keep the office open every Monday from 10:30 - 3, except for a lunch break. Checking with Betty (474-0855) to make an appointment before you come would be wise.
