"THE SOUND OF MUSIC" AT THE SHOWBOAT MAJESTIC REPLACES AUGUST MEETING

In lieu of our regular monthly meeting, on August 1, AHS is booking a block of tickets on the Showboat Majestic Theater. This boat is docked on the public landing (but it doesn't go anywhere) and features a summer full of musical entertainment. Their August feature is "The Sound of Music". We have booked a motor coach which only holds 47 people, but we have 70 tickets, so any additional folks will have to drive their own cars or car pool.

We will meet in the parking lot of the Mt. Washington Presbyterian Church at 7 p.m., which will give us plenty of time to board and arrive at the Showboat for an 8 p.m. performance. We can stroll through the riverfront parks, or just lean on the boat railing and watch the world go by on the river. Snacks and drinks are available for purchase. Our return will be between 10:30 and 11 p.m.

It is \$15 for the BUS AND THE SHOW, \$10 for the SHOW ONLY. Sign up at the June meeting or call Lyn Scheper - 232-1559 Send checks to 6567 Kentucky View Dr. by July 14. Cancel up to July 14 also.

TABLEWARE NEED FOR "DINNER FOR 8" PRIZE

Once again the first prize for Country Store is "Dinner for Eight at the Log Cabin". This is a very sought after prize. The members who prepared and serve this dinner have to bring many things from their own homes besides the food. To help make the task easier, they would like donations of the following: 8 water goblets, 8 wine glasses, serving bowls and spoons, and a salt and pepper shaker set. To donate any of these items, call Judy Johns (231-7269).

SEPTEMBER PROGRAM FEATURES RED LOWERY

"Red" Lowery will entertain us with a program on the old C.G.&P. railroad at our September 5 meeting. This all important meeting will include final Country Store preparations as well. Join us for this interesting slide show and refreshments.

GRASS CUTTING VOLUNTEERS RECOGNIZED

All the rain has kept our volunteers busy keeping the log house grounds in tip-top shape. Many thanks to Judy & Bob Radcliffe, George Wuest, Harold Wiley and Al Wettstein for their time and energy.

NOTE: We could use a donation of another lawn mower so more can be involved. If it doesn't run but is repairable, we can fix it.

DESPITE RAIN, FLOWER SALE BLOSSOMS

Although we were plagued by rain the first weekend and had to reopen on Mother's Day weekend, all of the plants have been sold. Many thanks to Judy Radcliffe, who spent MANY hours organizing, purchasing and moving the plants in and out of the barn, and to her numerous assistants, phone chain callers and all the members who came and purchased items. We cleared over \$1000 from this sale.

CHARITY FAIR VOLUNTEERS WORK AT MALL

Thanks to the volunteers, we maintained an interesting booth at Beechmont Mall's annual charity fair, May 19 & 20, and sold the last of the plants as well. We took in \$119.45 in books and \$73 in plants.

One of our displays included Indian artifacts identified and catalogued by Dr. David Clark, son of our President Ruth Clark. We are very grateful for his contribution of time and effort to help us.

Members who helped include: Judy Johns, who made the sign and helped with sales; Anola Stimpert, who arranged the display cases; and all our other sales people -- Judy Radcliffe, Carolyn Cocknower, Roland & Amy Lowery, Ervin & Marge Groppenbecher, Betty & Mike Reagan, Carol Voorhees, Sue Wettstein, Bill & Mary Jane Hornschemeier, Dave Piepho, Suzanne McGonegle, Beulah Dowers, Gertrude Addicott, Cindi Lueke, and Mary Brafford. I want to thank all of these good people and also the members who came by during the fair to support us. It all helps. -- Al Wettstein, Chairman

PULL TABS FROM YOUR CANS HELP ILL CHILD

When you save your pop cans please remove the ring tab from the top of the can and deposit them in a coffee can in the barn. A young child who needs hemodialysis will receive one free minute for every tab collected. Dave Piepho is collecting for the friend of a co-worker. This saves about \$1 per minute and several hours are required every few days. Please help.

Also, don't forget our pop cans and glass recyclable materials for ATHS. We made \$150 this first year. Let's make the goal at least \$200 for next year.

GENEALOGY BOOKS DONATED TO THE SOCIETY

One hundred genealogy books have been given to ATHS in memory of Jean Williamson, a long-time chairman of our Genealogical Committee. Jean was responsible for establishing and maintaining our library. These books are a gift from her daughters, Peggy Laughlin, Nancy McClure and Jane Decatur. We are very pleased with this acquisition which will help us continue the vital work she started.
