FORTY-FOUR ATHS MEMBERS ENJOYED THE MAGIC OF THE THEATER AT THE SHOWBOAT MAJESTIC ON AUGUST 8. THE PLAY WAS DELIGHTFUL.

NEED FOR COUNTRY STORE HELPERS AROUND

Raffle - We need support for this department. Please buy/sell as many tickets as you can. They will be available at the September meeting. Return all unsold tickets early on Country Store Saturday.

Dry Materials - We need dried materials, strippers, sellers and general workers.

Stitchery - Don't forget to get your kits and Victorian items in early (Sept. 1) so they can be gotten ready for sale.

Farmer's Market - Pick those veggies and and bring in potted plants for this booth.

Cobweb Corner - This is your last chance to clean out your closets, the basement, the garage, etc. For pick-up: 232-7631.

Kitchen - We need apple peelers NOW, also sugar, flour and cinnamon donations for pies. Jane King (231-9557) can use volunteers to serve food or make soup or potato salad and even donations of potatoes are welcome. She also needs bar-b-q servers, cashiers and people to keep the kitchen clean and retrieve trays.

Bakery - Beulah Dovers (232-8354) and Wilma Dean (231-4923) sell EVERYTHING we make and always run out early. Plan to make lots and if you can't bake, donated sacks of sugar, fruits, etc are very welcome. Sign up and we'll remind you.

PLEASE wrap or package your items for sale. This helps us a lot and is required by the board of health. Plastic salad bar containers are a great way to package the items in see-through, easy-to-label and crush-proof containers.

Popcorn - Carol Motz has it all set up, but can't be there on Country Store weekend. We need workers to help sell. Call Carol (231-6567) or Lyn Schepher (232-1559) and sign up for a few hours.

DONATIONS WILL GRACE OUR DINNER TABLE

Last issue we asked for donations to make the "Dinner for Eight at the Log Cabin" prize easier to serve and the response was tremendous. The items are lovely.

Many thanks to Judy Radcliffe for wine glasses and a carafe; Merle Elder for crystal sherbets and water goblets; Gregg & Cindi Dietrich for flatware, pots & pans and an electric mixer; and Pat Parker for beautiful china and table linens.

This grand prize will truly be a "feast" to please both the pallet and the eye.

SUMMER OPEN HOUSES WERE WELL RECEIVED

Our log house was open Sundays during June, July and August from 1 - 4 p.m., attracting mostly young families but also two Leisers who had grown up there.

Collections and collectors featured were: Florence Makepeace's glass, Groppenbecher's boxes and baskets, Hefflin sisters' art and dance mementos, AHS friendship quilts and linsey-woolsey, Jean Everhard's old popular sheet music, AHS cobbler tools, Mary Brafford's quilts, Gregg Dietrich's old tools, Jack Massey's and Roland Lovery's Civil War relics, Jack Massey's steamboat memorabilia, Betty Wettstein's old postcards, and Jane King's campaign buttons.

Additional host and hostesses were Beulah Dowers, Ellen Mueller, Mary Baird, Charlotte Hughes, Helen & Darryl Sweet, Barbara & Martha Christman and Opal Shoop.

Thanks go to John Muller, former shoe store owner in Mt. Washington whose father once made shoes, helped identify and clean up our cobbler tool collection.

The continued support of our members, who made these events possible, clearly indicates that they feel these open houses are an important part of our society's endeavors. We thank them all.

ROBBERY SPURS INVESTIGATION OF SECURITY

Our anvil, which was attached to a large tree stump in the barn, was stolen in July. As a result, the Board is in the process of considering various ways to make our cabin and property more secure.

VOLUNTEERS KEEP CABIN "SPIFFY" THIS SUMMER

The following volunteers have given many hours of their time to making the inside and outside of our cabin picture perfect:

Bill Hornschemeier and his brother furnished, stenciled and installed a new mail box at the entrance to the parking lot.

Ron Makin donated and painted the metal hand rail on the ramp of the brick house. He also cleaned and repainted the sign indicating the location of the Office.

Jack Massey changed the hardware on the front and middle room shutters of the cabin so they can be opened and shut without removing them (at Mary Brafford's suggestion). He also furnished and installed a "grab bar" in the bathroom.

The Scheper family donated a lawn mower.

The grass has been cut 15 times through August 3 by Judy & Bob Radcliffe, George Wuest, Gregg Dietrich, Dan Brafford and Al Wettstein (saving AHS hundreds of \$!).

Betty & Mike Regan planted, cultivated and weeded flowers and treated the rock walk.

Gregg Dietrich hauled the new cabinets, moved the existing one and installed 3 new ones in the kitchen of the brick house.

Gregg & Jack are planning the replacement of the cellar door on the cabin. Gregg has already bought and delivered part of the lumber and other materials needed.

Harold Wiley continues to trim and maintain the hedges bordering the parking lot.

On behalf of AHS I sincerely thank all these people for their efforts. I'm sure I missed someone. Believe me it's not intentional; it's age. -- Al Wettstein

PULL TAB DRIVE ENDS - RECYCLING CONTINUES

The drive to save pull tabs from pop and beer cans is now over. We appreciate the overwhelming support of our members and their friends. You saved many, many tabs for this very good cause. Thank you.

We can still use your soda/beer cans and glass for our recycling project. Al Wettstein reports that we have collected \$83 since June 2. Last years total \$167.78 will surely be surpassed at this rate. If we keep up this pace, we could top \$400. So continue to PITCH IN, PLEASE !!!!!
