SEVERAL DAY TOURS COMING UP SOON

Helen Sweet has planned a trip for our members for Sat., Dec 8.

Saturday's trip will leave at 10 a.m. for Hill Forest mansion and lunch at the Tree House in Aurora, Indiana. We will have time for a little antique shopping in the town before we go on to Metamora, Indiana. We'll return home around 5:30 p.m. Cost is \$30. Call Helen (474-5678).

Her second trip to Oldenberg in Batesville, Indiana and Connor Prairie (a recreation of an historic village) in Noblesville has been postponed, but will be rescheduled for a later time.

NEWS MEMBERS ARE WELCOME IN THE SOCIETY

Sybrand & Marjorie Swart, Ronald & Peggy Wolf, Janie & Ted Sinoski and Bruce & Dee Griffis have joined the ranks of our membership since the last Surveyor. You are all most welcome additions to the club.

IN MEMORIAM

It is with sadness that we report our good friend and "sunshine girl" Alice Hutton died recently. Jim, all your friends at ATHS offer our heartfelt sympathy to you and your family. We'll all miss her.

VOLUNTEER LABOR HELPS IMPROVE THE GROUNDS AND APPEARANCE OF THE LOG HOUSE BUILDINGS

The "yard crew" finished their final grass cutting on Nov. 3, total for the year, 21 times. It looks great too!

A great big thanks to all that helped: Judy & Bob Radcliffe, Goerge Wuest, Gregg Dietrich, Dan Brafford, Harold Wiley, Ron Makin, Bill Hornschemeier, Betty & Mike Regan, Dave Piepho and Alice & Jack Massey. Their help ranged from leveling the outhouse to fixing the lawn mower in addition to keeping the grass and grounds in apple pie order. The appearance of the grounds and buildings were greatly improved at a considerable savings.

Lillian Mason donated two lawn mowers. She has been a member for a long time and said she was sorry she was unable to attend meetings, but obviously her thoughts are with us. Thanks Lillian.

We heard Bill Hornschmeier is none too pleased with the person who smashed a pumpkin on the new mail box he just installed.

Plans for the winter season include removing the dead tree, installing a drainage pipe in the parking lot and improvements to the barn. Please call me (474-0855) to volunteer for any of these.

As I write this, I hope that I haven't missed someone or something important. If I did, it wasn't intentional.

Al Wettstein

CELLAR DOOR IS NOW INSTALLED

Jack Massey & Gregg Dietrich made a new door for the cellar. Now our restoration plans are complete for the year. Thanks.

BY LAWS COMMITTEE PLANS REVISIONS

It is time to update our by laws. Committee members Roland Lowery, Gregg Dietrich, Edwina Rees, Wilbur Rees, Bill Strayer and Chairperson Al Wettstein will be making revisions and recommendations soon.

SUMMERS OVER, BUT RECYLCING CONTINUES

Hey, we're still recycling! At least Al is checking the wagon, but nobody is putting any cans or glass there. Let's pitch them in! We've made \$135.52 since June 15.

PLEASE NOTE: DO NOT MIX GLASS AND ALUMINUM CANS. If Al misses the mixture they only pay us a penny instead of 30 cents.

This is a year-round, life-long activity; we must do everything we can to keep the world "green" and healthy for the future.

GET WELL WISHES FOR OUR MEMBERS

Red Lowery has been under the weather; we hope your feeling better. Jean Everhard has been in Bethesda Oak Hospital for tests. Meryl Elder had a hip replacement and is not back at New England Club. Thelma Heflin is also not feeling well.

DECEMBER BOARD MEETING MOVED TO 12TH

Board members please note that we will have our meeting one week earlier on the SECOND WEDNESDAY, DECEMBER 12.
