### MONTHLY MEETINGS

Wednesday, July 3 - 6:30 p.m.

Our annual picnic will be an old-fashioned potluck supper at the K of C Hall on Bartels Road. Please bring a covered dish to serve 8-10 people AND your own plate and utensils. ATHS will provide drinks.

We need a variety of dishes (salads, vegetables, main dishes and desserts). Don't forget a serving spoon for your contribution.

Wednesday, August 7 - 8:00 p.m.

"Stardust" at the Showboat Majestic - A musical review of the big band sound, presented by Northern Kentucky University.

Reservations or cancellations due by July 19. We do not have a bus scheduled at this time. We will take car pooling offers and requests with reservations.

Call Lyn Scheper 232-1559.

### FUTURE PROJECTS CONSIDERED FOR LOG HOUSE

Now that we have the log house in decent shape, it is time to start looking at the grounds and out buildings. Items being considered for improvements include possibly painting the barn roof, cutting back or removing the juniper bushes which have overgrown the sidewalk in front of the brick house and bringing in a dumpster for stumps, branches, bushes, etc., which need to be removed from the property.

We may also enlist the aid of local Boy Scouts for clearing away some of the brush and stumps. Eagle scout candidates are often looking for civic projects to complete their Eagle requirements.

### SOCIETY NEWS FROM OUR CO-ORDINATOR

Many members helped represent ATHS at the Beechmont Mall Charity Fair. We took in \$116.34, including one family membership. Workers include: Jack & Alice Massey, Gregg & Cindi Dietrich, Dave Piepho, Leona Darling (who donated baked goods for sale), Beulah Dovers, Bill & Jane Hornschemeier, Judy Radcliffe, Lloyd Everhard, Sue Mc Gonegle, Bernice Dunham, Bob & Barbara Christman, Roland Lovery, Mary Brafford, Gertrude Addicott, Sue Wettstein and Carol Voorhees.

I need help cutting grass. Please call: 474-0855. We will be getting a mower to keep at the cabin for those who would like to help but can't bring their own mower. Betty & Mike Reagan continue to work on the flowers and weeding around the cabin. Jack Massey fixed all the shutters so they so they can be opened more easily. Harold Wiley keeps the hedges trimmed and removes the trimmings from the premises. Dave Piepho saved up the tree which blew down in the recent storm. Thanks for your help!

WOULD YOU LIKE TO BE AN INTERPRETER? - Betty Reagan

On May 22, Jane King and I interpreted the log house for over 150 children and about 18 adults. It kept us "stepping lively", as we had 2-1/2 hours to accomplish this.

Being a Log House guide is really a wonderful experience. I receive so much from the children, lots of hugs from the little ones and several thank you letters from the older ones. The children are so eager to see and experience this little house and they have streams of questions. The adults are more reserved but they're every bit as interested as the children are. Our "cabin" is a part of history we can actually see and touch.

Jane King, log house tour coordinator, is a great person to work with. Jane can always answer my questions and she has taught me quite a bit. As an interpreter you learn a lot about the American frontier and our local history. There will be numerous school groups scheduling for the fall and there is plenty of opportunity to observe and learn from Jane at the open houses on Sundays. Give it a try -- you just might come to love it.

DISPLAY CASES TO BE SET UP IN MEETING ROOM

Al Wettstein purchased and put on loan to the society, three display cases, which Judy Radcliffe helped transport from Music Hall to the Brick House. They are located in the basement and we hope to fill them soon with some of our artifacts, which are currently stored away. Check it out soon.

RECYCLING NEWS AND REVIEWS

During the past year, June 15, 1990 to June 15, 1991, AHS has netted \$268.59 from our recycling program thanks to 22 trips by Al Wettstein to the recycling center. This is a messy job, since pop and beer cans are not always totally empty and not always crushed. We can make Al's job easier by crushing the cans so they take up less room whenever possible. We realize that some members collect cans from their jobs and other locations and this is not always possible, but please try to be as concise as possible.

Unfortunately, the center is only paying \$.005 for a pound of glass, so it is no longer cost effective to recycle this item through the society. Please continue to place these items in your curbside collection or take them to Forest Hills Kroger recycling bins. We will be accepting only ALUMINUM POP CANS PLEASE.

Thank you for your continued support and for helping to "Keep America Green".

ATHS LOOKING FOR PROGRAM CHAIRPERSON

Our programs are mapped out through September, but we are looking for someone to replace Lloyd Everhard, who recently asked to resign from this position.

Board members have several ideas, but need someone to execute and track down leads. Please call Beulah Dovers (232-8353).

COUNTRY STORE NEEDS "YOU"!!!!!!

Call a chairperson or volunteer to be one TODAY! Country Store 1991 can't be a success without the help of ALL our member in one way or another.

OTHER UPCOMING ATHS ACTIVITIES

SUMMER OPEN HOUSES - Sundays: 1 - 4 p.m.  
in June, July & August

COUNTRY STORE - September 21, 10 - 5 and  
September 22, 12 - 5.

BOGOSIAN BOOK REVISED AND REPRINTED

Club members may be interested to know that Don Bogosian's book "Some Historic Sites on the Lower Little Miami River" has been revised recently. This book was written by Don a number of years ago. He gave Al Wettstein permission to reprint it and Al has donated the copies to the ATHS. The books sell for \$4.50 and this amount goes to the Society.

BOARD ESTABLISHING BORROWING POLICY

The interest in historical records and artifacts has made it necessary for the Board to consider official policies regarding the use of Society documents and accessions. We have many irreplaceable township records, pictures, etc. and it is the founding goal of the Society to protect items of historical significance.

Therefore, on June 19, the ATHS Board approved the following motion: "It is a policy of ATHS Board that all property owned by the Society will not be taken or borrowed from the premises without the permission of the Board unless on official ATHS business."

## COUNTRY STORE DEPARTMENTS NEED YOUR HELP

RAFFLE - **STILL NEEDS A CHAIRPERSON** to run the show. The tickets are printed and already on sale. First prize will be our coveted "dinner for 8", second prize is a framed water color of Cincinnati Union Terminal by ATHS member India Boyer, third prize is a collection of Country Store treasures which will be compiled from a number of our departments.

Call Lyn Scheper (232-1559) or Cindi Dietrich (474-1020) if you can help with chairing this committee.

STITCHERY - Mary Brafford (231-0763) and her many helpers are very busy. They can always use an extra pair of hands to do stitchery kits, assemble pillows or stitch up aprons and placemats. All donations of handcrafted items, Victorian items, old linens, jewelry, etc. are welcome.

DOLLS & TOYS - Judy Johns (231-7269) and Sue Wettstein (752-3796). Workers meet at Betty Wettstein's on Thursday mornings. If you can't sew, you can stuff bean bags or cut out items. Judy & Sue work in the evenings. Give them a call or make your own at home and donate to this department.

HERBS & BUTTER - Betty and Mike Reagan (232-8494) can use help packaging their materials and would love to hear from any "growers" for donations. Unfortunately, a patch of yarrow, which Betty planted in the Log House garden, was "harvested" by persons unknown. This is a big seller so, if you have some growing which you can donate, please call Betty.

BAKERY - Beulah Dovers (232-8353) has once again agreed to chair this department. We always sell EVERYTHING and often run out early in the day. Plan to make lots and if you can't bake, donated sacks of sugar, flour, fruits, etc. are very welcome. Sign up, we'll remind you. We would like to have a CALLING COMMITTEE again this year. If you can make 20-30 calls to members a week before the Country Store, let Beulah know you will help.

COB WEB CORNER - Marge & Erv Groppenbecker (231-7631) and Marie Anderson (231-8822) are planning to turn your "junk" into someone else's "treasures". This is a great way to clean out your attic, garage and basement and make money for ATHS. It's tax deductible too--call for pick up.

DRIED MATERIALS - Alice & Jack Massey (231-6562) have agreed to chair this department. Florence Makepeace (231-7090) and Ruth Clark (753-4555) will once again donate their expertise and creativity to this department. Alice & Jack will schedule workers, oversee the moving of the arrangements from the kitchen to the brick house and over to the barn the day of Country Store, and generally keep things running smoothly the two days of the sale. Donations of containers, baskets & silk/dried materials are always welcome.

WOODWORKING - Jack Evers (752-2667) and Jim Hutton (231-0653) are sharing this department and can use any donations.

CHILDREN'S GAMES - Dave & Nancy Piepho (231-6553) will provide entertainment and old fashioned games for the little people.

POPCORN - Carol Motz has returned to chair the making of this old-fashioned treat.

KITCHEN - Cindi Dietrich (474-1020) can always use help -- donations of apples, flour, sugar and cinnamon for pies; cakes for variety, potato salad makers (or just donate the potatoes) and WORKERS, WORKERS AND MORE WORKERS to serve, cashier & keep the kitchen running smoothly.

FARMER'S MARKET - **OPEN!** We have vegetables growing but no one has said they will help organize the sale of these ever popular items, including pumpkins.

CHEESE - Lack of a small refrigerator for this department many cause us to cancel.

REFRESHMENTS - Donations of soft drinks in cans can be left under the steps in the Brick House Meeting Room. Barb & Bob Christman (232-1299) are chairing.

### MISCELLANEOUS DEPARTMENTS

Clown - Mary Lou Goulding & Grandson

Ice Cream - **OPEN**

Publicity - Connie Whitaker (474-1637)

Finance - Bill Strayer

Visa/Master Card - Wilbur Rees

Traffic - Bill Hornschemeier (231-6205)

SET UP - Gregg Dietrich (474-1020) needs volunteers to set up and take down on Thursday, Friday & Monday.
