## DAY TRIP TO CONNER PRAIRIE PLANNED FOR MAY 8

Don't miss this one! History really comes alive at Conner Prairie. The interpreters "live" in the past and we participate in all activities as we stroll about the restored village. DATE: May 8 DEPART: 8 a.m. RETURN: 9 p.m. COST: \$33

Introductory talk and a guided tour of the newly restored William Conner Estate (1823) will be followed by a tour of the town, which is interesting, educational and fun. Lunch is on your own and at your leisure at Governor Nobel's Eating Place. The evening meal will be a real old-fashioned country dinner at nearby Eller House, a museum in itself!

The price included transportation, all admissions and evening dinner. Call: Helen Sweet (474-5678) or sign up at the April meeting.

## ATHS BICENTENNIAL EVENTS & ACTIVITIES

In addition to our Sunday Summer Open Houses, from 1 - 4 p.m., during June, July and August, the Society has planned the following bicentennial events:

(TENTATIVE AND SUBJECT TO CHANGE)

March 27 & 28: Grassy Run Festival at Long Branch Farm in Clermont County. ATHS members will try their hand at cooking over an open fire. Bean soup and cornbread will be served.

April 24 & 25: Open for Museum Weekend. Candle dipping & hearth cooking will be demonstrated.

May 15 & 16: Edmund Motz will show us how to mill a log into lumber on Saturday, while Carol Motz will demonstrate butter churning on Sunday.

May 31: ATHS's horse drawn wagon will be our Anderson Twp. Bicentennial Parade entry. The wagon will hold about a dozen; the rest will have to walk along side.

June 13: Ice Cream Social at the Cabin. Dust off your old ice cream freezers and dig out your recipes. We're making ice cream! Cookie/brownie donations will be welcome too. Call: Lyn Scheper (232-1559).

July 17 & 18: Antique Quilt Show. Jane Goodrich, Beulah Dowers and Mary Brafford.

August 21 & 22: Old tools will be on display. The barn will be featured.

September 18 & 19: Country Store Weekend!

October: Cider and kraut making.

November: Spinning & Weaving

December 4 & 5: Christmas Open House

SOCIETY HAS CART AND WAGON REPAIRED

Edmund Motz took the cart that was in the barn apart and Matt Motz will take the parts to the Amish people near Ft. Recovery to see if it can be repaired. The jolt cart has a broken shaft & missing spokes. We are hopeful that the cart can be repaired by these talented craftsmen.

The "play wagon", which was in pieces in the barn, was reconstructed by Lynn Belamey, an interested township citizen who volunteered to do the work. This lovely miniature version of our large farm wagon is now on display and "useable". It is pulled by hand and would serve as a garden cart or for children's play.

MEMORIAL BEQUEST MAKE TO SOCIETY

Margaret (Peggy) Laughlin, daughter of Jean Sloan Williamson, recently bequeathed \$5000 to ATHS "in loving memory of my deceased mother". The society was notified by the estate attorney for Mrs. Laughlin of the remembrance in her will.

MARJORIA A. FRAME HISTORIAN AWARDS

Requests from area high schools have been received to award \$100 honorariums to graduating seniors who are continuing their studies in History. Anderson, Turpin and McNicholas High Schools are each allotted one recipient award.
