## CLUB CHATTER

Dear Members:

What is it that you like best about being a member of ATHS? Some like the warmth of the meetings best, with their excellent programs and social contact.

For some the primary interest is the Country Store with its gung-ho atmosphere, its cooperative effort and the opportunity to produce attractive things to intrigue the eye and palate.

The sole interest of others is the preservation and community use of the Miller-Leuser House.

The educational activity of the Society is the interest of yet another group.

Some join us because they enjoy our fabulous bus tours to unique historic places.

Quite a few are members, although inactive, because they believe in what ATHS stands for and want to be supportive of its purpose.

We are a happy combination of fun and seriousness. We have a variety of appeals -- something for everyone! And all approaches to membership are welcome additions to ATHS. We have a very large membership and we need the help and support of every member.

IF YOU WOULD ENJOY BEING MORE INVOLVED WITH YOUR particular interest - your officers need to know it. You are needed! The SURVEYOR is the only contact between ATHS and a great many of our members, so please - let us hear from you!

How about YOU?  
What do YOU like?  
What do YOU want to do?

An old Chinese Proverb says: "Happiness is someone to love, something to do and something to hope for." In working together for our Country Store we do learn to love and appreciate each other more, there is always much to do, and anticipation grows each year.

In a few weeks we are going to send announcement cards to those who have attended our prior open house exhibitions. If you have friends you would like to include on this list, let us know.

WHAT WE NEED NOW IS:

Sugar, flour and nuts for cakes and pies, breads, etc. Articles for Cobweb Corner. Containers for dried arrangements and materials for use. Fruit and sugar for jellies and jams, and vegetables for pickles and relishes and also to sell in Farmers' Market in September. (Jelly glasses for re-use are requested.) Hundreds of stitchery, handcraft and woodwork items. (Donations of each are always appreciated.)

Help from ALL OF YOU is needed to bake, gather and dry materials, prepare jellies, knit, crochet, sew, work with woodworkers, sell raffle tickets, and help on the two days of the sale with parking and welcoming our customers, as well as assisting in sales. CABBAGE PATCH will be ready for kiddies, and the CHEESE DEPARTMENT will be ready to sell.

Don and Ann Fetzer need help in preparing and serving lunch. The menu sounds delightfully tempting . . . Clough Hollow Turkey Sandwich on Bun, Shaker Tomato Soup, Anderson Township Dessert and Beverages.

If you have misplaced the Department Chairman Roster you received in early May, please call: Gladys Bowler-231-7804; Eloise Heis-231-6859 or Edwina Rees-231-8698. And, be sure to call the Department Chairmen to volunteer your help.

The happiness we find working together will be shared by others!

Edwina Rees, Chairman
