PROGRAM NOTES

PROGRAMS PAST

- APRIL - Our meeting was an evening of "Show and Tell". Many interesting old items were brought by members and shared with the group.
- MAY - Jack Massey entertained us with his pictures of river scenes.
- JUNE - This month the program was a very interesting talk and slides on "Colonial Gardens" by Daisy Sticksel.

The first weekend in May a plant sale was held at the Log House. It was quite a success and many contributed.

Also in May, 78 of our members journeyed to Maysville and Washington, Kentucky for the spring tour.

PROGRAMS FUTURE

- JULY - On July 7 at 6:00 there will be a picnic supper at the Log House. Bring your own supper and afterward we will have old-fashioned games. Beverages will be provided.
- AUGUST - There will be no meeting in August, and we will instead have a "Theatre Night". On Wednesday, August 4th we will go by bus to the Showboat Majestic to see "No-NO Nanette". Departure will be at 7:30 P.M. from the Mt. Washington Presbyterian Church. Price is to be determined. Reservations, on a first-come, first-served basis can be made with Helen Holmes, 231-4579.

BICENTENNIAL EVENTS

June 1976 Vol 8 No 2

The Mt. Washington Bicentennial Committee has planned an active, meaningful, and fun program to commemorate this Bicentennial birthday of our country. To date, our participation has been the sponsorship of "The Appalachian Green Parks Project", a musical group playing and singing old songs with old instruments, and the Flower Show in connection with the plant sale. Now for our share in coming events:

We will participate in the 4th of July parade. The parade starts at 12:00 and goes from Mt. Washington School to Stanbery Park. Edmund Motz has offered to let us use a flat-bed truck, so a float is in the planning. We also invite members to don the "Country Store" outfit or a fashion from the past and march along with the float. (It's only a mile). If you have questions, call Ruth Smith, 232-4313.

On the 4th and 5th of July, our Log House will be open to the public from 1 P.M. to 4 P.M.. We need hostesses. If you can spare an hour or two, contact Marge Frame, 231-6453, or Ruth Smith, 232-4313.

MORE FUTURE EVENTS AT THE LOG HOUSE

On Saturday, July 17, the Log House will be open for "Members' Collection No. III. Displays will include Family Research by Julia Myers and Jean Williamson (featuring Anderson Township Families) and Buttons by James King. On Saturday, August 21 there will be an Open House and Country Store Workshop.

FALL TOURS

Plans are being made for the AHS fall tour to Charleston, South Carolina. Travel will be by bus. A mailing will be sent to all members with more information soon.

PROGRAM COMMITTEE

Bob Anderson needs four willing workers to set up chairs for the meeting. Interested members please call him at 231-8822.
