VOL. 9. No. 4
December 1977

P.O. Box 30174
Cincinnati, Ohio 45230

Regular meeting held first Wednesday of each month, 8:00 PM
Salem Methodist Church, Salem & Sutton, unless otherwise noted.

FROM THE PODIUM - Attendance at each of our meetings this fall has been between 90 and 100, and the programs have been interesting and informative. We are pleased that Will Wolfer, one of our members, gave such a fine program in October, and we were fortunate to have Mr. John A. Diehl present the November program.

Country Store was one of the best, and my personal and sincere appreciation to Mildred Lucas, Chairman and Norma Bockhorst, Co-chairman and to all of you Department Chairmen and members and friends for all that you did.

Our "STORE" and open house weekends began as planned. Please read your letter again, and call Marge Frame at 231-6453 or 231-2114 if you can help. We would appreciate your baking cookies (bar and Christmas types) for December 2, 3 and 4, and bread and pies for December 9, 10 and 11.

Your efforts that you continually give to help achieve in transmitting our heritage and extending community goodwill are recognized by all of us and others. Let's support each other with words of encouragement and gratitude and friendship.

We will look forward to seeing you on weekends at our LOG HOUSE and at meetings.

Edwina Rees, President

PROGRAMS COMING -

December 7 - "Bell Ringers Choir" from the Mount Washington Presbyterian Church, under the direction of Mrs. Wylene Davies. This promises to be an unusual and different program.

January 4 - Mrs. John Toepfer will present a slide program on "Cincinnati Heritage", featuring many buildings on the National Register of Historic Places.

February 1 - Cincinnati's Music Hall will be the subject of a talk by Mr. Goerge Roth, a Cincinnati architect, who has prepared the architectural section of a book about the "Hall", which will celebrate its 100th anniversary next year.

WRAP UP -

The Country Store of 1977 was a great success, we feel, because of the larger numbers of members actively participating. We would like to thank all the chairpersons and their committees for a job well done; also the members who so generously donated monies, their time in making so many wonderful things, items for Cob Web Corner, and of course all the people who came to buy the many wonderful things we had to offer.

Mildred Lucas, Chairperson
Norma Bockhorst, Co-Chairperson

Thanks to our generous members who contributed such a lovely assortment of baked goods, candies, breads, etc. Our bake table was a fine success. Also, we wish to thank the members who contributed materials and cash donations, which are always welcome and make a final outcome so satisfying. Thank you again - we appreciate your efforts.

Ruth Walters and Rosemary Hess

Yes! the Country Store was once more a success, not only financially, but in terms of bringing together a substantial number of our members in a mutual effort to attain a goal by the generous application of time, talent and labor. We hope that future events of this nature will bring out even more of our people to extend a helping hand and share in the good feeling of accomplishment.

The final tally shows a net return to the Society of almost six thousand dollars, half of which was immediately applied to the principal of the mortgage, reducing the amount owed to less than \$9000. We are making progress, but can't ease up now.

SYMPATHY is extended to the family of Mrs. Lucille Tutt, and to members who have lost loved ones recently.

DO YOU REMEMBER - When you got home later than you expected to on a bitter cold winter night and the fire had gone out in the @-# % coal furnace and you had to split kindling to start a new fire and you had to keep your overcoat on until the house got warm. When you got "waited on" by the grocer and you could buy a stick of butter, a half pound of coffee, a nicleks worth of sugar, or a half pound of lard (in one of those little wooded "tubs").

BEST WISHES TO ALL FOR A

HAPPY AND PEACEFUL HOLIDAY SEASON

AND A BRIGHT NEW YEAR
