ATHS President's Letter

Happy Spring!

As the days grow longer and the season begins to change, ATHS is preparing for what promises to be a busy and exciting year.

There is already a great deal of activity underway. At the Urban Farm, gardeners are preparing their beds for planting, and work has begun to clean out the beds around the Log House. We are also looking forward to the ATHS Plant Sale in May at the Log House.

This year will be especially meaningful as ATHS takes part in the celebration of the 250th anniversary of the United States. We will be participating in the Anderson Township Fourth of July Parade, and we would love your help in making our entry something truly special. If you have ideas or would like to be involved, please let us know.

Many of this year's open houses at the Log House will also include special events, so please be sure to watch for updates and details on our website at www.athsociety.org.

I would also like to extend a warm welcome to our new Board members: Kerri Wolfangel, Col. Todd Mayer, and Rick Voss. Rick is serving as our new Treasurer, while Kerri and Todd are joining the Board as Trustees. Each

brings valuable experience and insight, and we are grateful to have them serving the Society.

At the same time, I would like to express my sincere appreciation to Bob King, Don Perry, Daryl Meyerrenke, and Bob Malinzak for their time, service, and dedication to ATHS. Bob King has faithfully served as Treasurer for the past 10 years, and his commitment to the Society has been greatly valued. I am pleased that Bob has agreed to continue serving as Chair of the Finance Committee, a nomination that was approved by the Board at its March meeting.

Don Perry has stepped down as Chair of the Finance Committee. Over the years, Don has served the Society in many important roles, including President, Vice President, and Finance Chair. Daryl Meyerrenke has also been an important part of ATHS for many years. In addition to serving on the Board, he and Dave Vogel helped bring the Urban Farm to life, from its earliest concept to what it has become today. Bob Malinzak has also given several years of service as both a Board member and a member of the Finance Committee.

We are deeply grateful for all they have contributed to the Society, and we hope they will remain active and involved in the years ahead.
